The report will be published on the Water Advisory Body (WAB) website on **Tuesday 11 January 2022** and a press release issued on the same day.

In submitting the report, the following key points are of note: -

- The report seeks to address in so far as possible the performance of Irish Water in the implementation of its Strategic Funding Plan 2019-2024;
- It is based on information that has been published; and
- It seeks to present the information using plain, jargon free, language, as far as practicable.

The report, along with other information about the Water Advisory Body, can be found on the website, www.wateradvisorybody.ie.

Further to our correspondence of March 2021, the WAB would welcome a discussion with you on the work of the WAB and how it would be expected that the WAB would interact with your Committee. The members of the WAB would be more than happy to facilitate a briefing on our role. I can be contacted through Colin Flood in the WAB's Secretariat at info@wab.gov.ie or at 01 8882025.
